Both parents and campers understand that Falcon Camp takes reasonable precautions to insure that programs and activities at Falcon Camp are supervised by qualified personnel in a safe and responsible manner. However, parents and campers understand that these activities involve certain risks and include, but are not limited to, horseback riding, ropes course, water sports, land sports, archery, riflery, canoeing, sailing, rock climbing or hiking. Parents and campers recognize these risks and agree to assume these risks by attending or allowing the camper to attend Falcon Camp and participate in these programs.

It is understood by parents and campers that any photographs, videos, quotes, etc. taken at camp may be used by Falcon Camp and the American Camping Association for art, advertising and promotional materials. If you have an objection to this, you must do so in writing before your child attends. Camper rosters are printed at the conclusion of the summer so families interested in the next season may have the opportunity to speak with experienced camp families about what Falcon is like. If you have an objection to this, you must do so in writing by the end of the summer.

We (parent and camper) understand that an enjoyable wholesome experience at Falcon Camp depends on a positive attitude, a desire to contribute meaningfully to the whole group and a willingness to participate enthusiastically in all of the activities offered at Falcon Camp. We have read, understood and agree to abide by the above rules, payment schedule, refund policy, application policy and all other terms as stated above.
